If you meet the requirements stated on the reverse, you may take this examination, which is competitive. Possession of the entrance requirement does not assure a place on the eligible list. Your performance in the examination described on the other side of this bulletin will be compared with the performance of the others who take this test, and all candidates who pass will be ranked according to their scores.

The California Coastal Commission and the San Francisco Bay Conservation & Development Commission reserve the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

Examination Locations: When a written test is part of the examination, it will be given in places in California as the number of candidates and conditions warrant. Locations of interviews may be limited or extended as conditions warrant.

Eligible lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) open eligible list. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in one to four years unless otherwise stated on this bulletin.

General Qualifications: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

Interview Scope: If an interview is conducted, in addition to the scope described on the other side of this bulletin, the panel will consider education, experience, personal development, personal traits, and fitness. In appraising experience, more weight will be given to the breadth and recent timeframe of pertinent

experience and evidence of the candidate's ability to accept and fulfill increasing responsibilities than to the length of her/his experience. Evaluation of a candidate's personal development will include consideration of her/his recognition of her/his own training needs; her/his plans for self-development; and the progress she/he has made in efforts toward self-development. Please see "Questions and Answers About the Coastal Program Analyst Series" on our website at www.coastal.ca.gov for more information regarding examination preparation.

High School Equivalence: May be demonstrated in any one of the following ways; 1) Passing the General Educational Development (GED) Test by scoring at least 35 on each of the five sub-tests and averaging 45 for all the sub-tests; 2) Completion of 12 semester units of college-level work; 3) Certification from the State Department of Education, a local school board, or high school authorities that the candidate is considered to have education equivalent to graduation from high school; or 4) Clerical and accounting classes, substitution of business college work in place of high school on a year-for-year basis.

Veterans' Preference Credits: Veterans' preference credits will be added to the final score of all competitors who are successful in the examination and who qualify for and have requested these points. Due to changes in the law, which were effective January 1, 1996, **VETERANS WHO HAVE ACHIEVED PERMANENT CIVIL SERVICE STATUS ARE NOT ELIGIBLE TO RECEIVE VETERANS' CREDITS.** Directions for applying for veterans' preference are on the Veteran Preference Application form, which is available from the State Personnel Board office, written test proctors and the Department of Veteran Affairs, P.O. Three points are added to the final test score of those candidates who meet the above criteria, and who are successful in the examination. Such examinations cannot be for managerial positions described in Government Code Section 3513. Competitors not currently employed in State civil service who have mandatory reinstatement rights may also be eligible for career credits, but they must explain their civil service status in the appropriate section of the application Form 678.
